Operating System: RollCall

In 2026, all users will be required to use RollCall for the purposes of ticketing, tracking and paying for use.

Existing users: Your account and bus pass will remain unchanged.

New users: RollCall is a bus management system that offers real time tracking and monitoring via an app on your phone. It allows for parents the flexibility to top up their accounts and pay casual bus usage via the 'tap on/off' system in the bus, or to pay term fees.

The RollCall database is set up by the School. If you would like to sign up to use these services, please click here and a fob (bus pass) and account will be arranged prior to the start of the School year. Fobs will be given to boys at the Welcome Morning on Tuesday 28 January, or their first full day of School. Access to the RollCall App will be given the week prior to school returning.

Please get in touch if you require any further information and please see the timetables to support your planning for 2026.

Kind regards
Mr Derrin and Ms Quealey
